Dear Friends, Alumni, and Supporters of the Stephen F. Austin Lumberjack Team;

The first cool front has finally hit Texas and temperatures finally below 90 degrees means the 2004-2005 basketball season is close. The upcoming season holds great promise and excitement as the first game approaches. The back to back 21 win seasons and 2 Southland Conference Final appearances on ESPN bring great anticipation this year. This enthusiasm is why I am contacting you.

Reaching the Conference finals two years in a row is a first for the Lumberjacks since joining the Southland Conference. The Jacks currently hold the NCAA's longest home court winning streak at 30 games. This home court winning streak goes all the way back to December 2nd 2002 when the Jacks lost to Centenary. This winning streak includes two straight years of not losing a Southland Conference game in the William R Johnson Coliseum. All of this has been accomplished by Coach Kaspar and his staff in four short years.

The Tip-In-Club has been on a roll the past 3 years. We have increased our membership and revenue each year since our inception. This response and commitment is why we believe we will have another record year during the upcoming basketball season. The following are some of the accomplishments we have achieved over the past year. We provided summer school money to help our graduation rates, held our 2nd annual Golf tournament and had two great tailgate parties. In addition, we will be updating our website at www.sfatipinclub.com to reflect some of our changes we have made and we encourage you to visit it.

The Board of Directors and Officers want to Thank You for your past generosity and support over the past three years. I have been inspired and humbled by the response and number of supporters who want to see the program reach a championship level year after year. If you area a past member, please renew your membership. If you have not yet joined we would love to have you on our team. Please review the membership levels and help the Lumberjacks reach the NCAA tournament for the first time this year. I look forward to seeing you at many of the games this year.

Sincerely,

Dan Ostrander
President Tip-In-Club
